BIM Made Simple
From Conception to Contracts' Award

contact@bimdirect.com

BIMDIRECT

1 Create your project

Set up your project details. Define LOD and LOI based on UK or US standards

2 Set up responsibilities

Allocate tasks to stakeholders. Owners, Authors & Collaborators

3 Create the EIR

Start from scratch or from a pre-defined template based on PAS1192

4 Collaborate

Invite Collaborators and get feedback in real time. Audit comments.

5 EIR Tendering

Invite Contractors to submit their pitch. Rate and choose the best responses

Award Winning RICS | BIM4SME 2017
Best Embedment of BIM into Contracts
